Community Report
Celebrating Academic Excellence

Program Year Ending
2020

Dear contributors:

Thank you so much for your generous and gracious investment. Your contributions to the Elizabeth Wesley Youth Merit Incentive Award Program have enabled us to continue the celebration of African American student excellence for the last 25 years.

We remain steadfast in the belief that achievement and character matter, and we have in our hands the means, will and desire to inspire our students to reach higher.

Since 1995, a significant number of individuals, businesses and corporations, and community partners joined to make it possible for us to recognize, honor and encourage thousands of African American students for academic and community achievement. During 2020 school districts worked collaboratively to allow us to successfully administer a virtual application and award process

On behalf of all student achievers and their families, we sincerely thank you for being a faithful community supporter.

Sincerely,

The Elizabeth Wesley Program
Executive Committee
